

FIG. 1

FIG. 2

FIG. 3

FIG. 4A

FIG. 4A is a cross-sectional view of a collapsible mount type. The diagram shows a central component 2, which is a trapezoidal block with diagonal hatching, positioned between two rectangular blocks 3 and 4. Below these is a circular component 5, also with diagonal hatching, labeled '(COLLAPSIBLE MOUNT TYPE)'. The entire assembly is housed within a frame 6. At the bottom, there are two sets of springs 1a and 10, and a base 11. A horizontal dimension line X is shown at the top, indicating the width of the central assembly. A vertical dashed line 8 is on the right side. Other labels include 7, 9, and 4a.
